RAYFILM labels on reels

RAYFILM labels on reels are made of carefully selected self-adhesive materials, which meet high requirements as for the quality and the price. In our wide production range you can find not only white self-adhesive papers, as well as coloured and metallic self-adhesive papers and synthetic materials.

RAYFILM paper labels

RR100 – Matte white labels

The labels are made of matte white self-adhesive paper with permanent adhesive and glassine, yellow release liner

RR118 – Glossy white labels

The labels are made of glossy coated white self-adhesive paper with permanent adhesive and glassine, yellow release liner

RR111 – Matte thermo labels ECO

The labels are made of white thermo-sensitive self-adhesive paper with permanent adhesive and glassine, yellow release liner

RR120-RR123 – Colour labels

The labels are made of vellum coated coloured self-adhesive paper with permanent adhesive and glassine, yellow release liner

RR120 – green labels

RR121 – yellow labels

RR122 – red labels

RR123 – blue labels

RR130-RR133 – Radiant colour labels

The labels are made of radiant coloured coated self-adhesive paper with permanent adhesive and glassine, yellow release liner

RR130 – Radiant green labels

RR131 – Radiant yellow labels

RR132 – Radiant red labels

RR133 – Radiant orange labels

RR700 – RR750 – Metallic labels

The labels are made of self-adhesive paper coated by metallic foil with permanent adhesive and glassine, yellow release liner.

RR700 – Silver glossy labels

RR750 – Golden glossy labels

RAYFILM synthetic labels

RR410 – Clear glossy polypropylene labels

The labels are made of clear glossy self-adhesive polypropylene with permanent adhesive and glassine, yellow release liner

RR405 – Clear glossy polyethylene labels

The labels are made of clear glossy self-adhesive polyethylene with permanent adhesive and glassine, yellow release liner

RR510 – White glossy polypropylene labels

The labels are made of white glossy self-adhesive polypropylene with permanent adhesive and glassine, yellow release liner

RR505 – White glossy polyethylene labels

The labels are made of white glossy self-adhesive polyethylene with permanent adhesive and glassine, yellow release liner
